

CH. III: METHODS OF PRODUCTION

CHAI LATTE

A chai latte is spiced black tea, infused with milk.

- 1 Using a graduated pitcher, mix equal parts milk with chai concentrate as per the 'milk management standard'.
- 2 If 'for here', preheat the cup with hot water.
- 3 Steam the chai/milk as per the 'latte milk steaming standard'.
- 4 Once steamed, pour the chai/milk mixture into the cup.
